Reserve Syrah 2017

Harvested from three vineyards in Elim, each from a different clone, on soils varying from shale, gravel and Ferricrete also known as Koffieklip. The 2017 Syrah is a beautiful example of cool-climate Syrah and a great counterpoint to the more commonly found warm-climate Syrah in South Africa. Minimal intervention was used during the winemaking process. After de-stemming, wine fermented naturally in open-top containers and benefitted from daily punch-downs. The wine then spent 11 months in old 225L French oak and was bottled in February 2018. The wine was made in a natural way, with only sulphur additions.

Tasting notes

Wild strawberries, cranberries, hints of pomegranate and crushed rose petals all neatly integrated with the oak. The palate is medium-bodied with crisp acidity, a lovely saline/spicy thread throughout this Syrah that lends energy and tension towards the precise and detailed finish. This is a superb, sophisticated and nuanced Syrah that should age with style.

100% Syrah, 13.0% abv, Natural Cork Closure, W.O Elim
