TSW Sauvignon Blanc 2017

Harvest started the 2nd week of February and continued for 2 weeks. The different Sauvignon Blanc parcels were fermented separately after which they were left on the lees for a few months before meticulous blending took place. Bottling took place in July 2018.

Tasting notes

Vibrant and fresh nose of crushed rocks, ripe pear and yellow gooseberry. Quite energetic on the palate which builds and has more profundity than one may first realise. Walks the tightrope between bracing Elim freshness and ripe fruit brilliantly. Finishes on a dry, clean and very classy note.

100% Sauvignon Blanc, 13.0% abv, Screw cap, WO. Elim
